

COVID-19 POLICIES & PROCEDURES

1

HYGIENE, HEALTH & SAFETY

We are taking extraordinary steps to protect the health and safety of our customers and employees, including a detailed internal policy that includes advanced health and safety measures for our staff to follow.

2

YOUR MEAL

All menu items are now available individually packaged upon request. Each meal includes individually packaged cutlery and condiments for each guest.

3

OUR MUST-FOLLOW KITCHEN GROUND RULES

Masks are mandatory for all staff. Proper handwashing is recommended every 30 minutes. Our kitchen is frequently and thoroughly cleaned and sanitized following Alberta Health regulations and guidelines. Standard food processing and handling procedures must be strictly followed. Staff members with COVID 19 symptoms must self-isolate at home and report to management. Hand sanitizers will be available for staff throughout the key areas of our kitchen and prep stations.

4

DELIVERY MEASURES

Masks are mandatory for delivery drivers at all times. Disposable gloves are to be used throughout the process and are to be changed after each individual delivery.
